

Special Event: Botany at the Bar

Event Date:

Fri, Sep 25, 2015

Rachel Meyer, PhD, Evolutionary Botanist, AAAS Science and Technology Policy Fellow, co-founder of Shoots and Roots Bitters

Ever thought about the roughly 50 plant species in the coupe of your Manhattan? Or how many kinds of agave there are? In this workshop, we take a scientific journey into three cocktails and five bitters, discussing ethnobotany, chemistry, scientific traditions and freshest innovations that help us value the world's 40,000 eaten and imbibed plants. **Please note:** This program is intended for those 21 years of age and older. Small bites will be served to accompany the tasting journey.

Date: Friday, September 25

Time: 6:30 p.m. to 8:30 p.m.

Location: Conservatory Garden Court

Friends: \$25

Non-members: \$30

Pre-registration required
